A little bear named “Petit’O” is afraid of the dark. Follow along as he tries everything in his power to catch a star from the sky to brighten up his room before he has to hibernate.

A cute story that promotes perseverance, creativity and shines light on the power of friendship and mutual help in achieving one’s goals.

And don’t miss the extra pages at the end of the book that showcase different emotions and feelings, the days of the week, the months and the seasons.
